NOTIFICATIONDated Kohima the 28th February, 2019

NO.HTE/HE/ROP/9-92017:: The Government of India, Ministry of Human Resources Development, Department of Higher Education vide their letter No. 1-7/2015-U,II(I) dated 2nd November, 2017 requested the State Government to consider the implementation of the scheme of revision of pay of teachers and equivalent cadres in Universities and Colleges following the revision of pay scales of central Government employees on the recommendations of the 7th Central Pay Commission (CPC), with such modifications as may be considered necessary taking into consideration the local conditions. The Government of India also offered to provide financial assistance to State Governments opting to revise pay scales of teachers and other equivalent cadres covered under the scheme subject to the following conditions:-

- i. The revised Pay and revised rates of Dearness Allowance under this Scheme shall be effective from 01.01.2016.
- ii. Financial assistance from the Central Government shall be limited to the extent of 50% of the additional expenditure involved in the implementation of the revision.
- iii. The State Government opting for revision of pay shall meet the remaining 50% of the additional expenditure from its own resources.
- iv. Financial assistance from the Central Government shall be provided for the period from 1.01.2016 to 31st.03. 2019.
- v. The entire liability on account of revision of pay scales etc. of college teachers shall be taken over by the State Government opting for revision of pay scales with effect from 1.04.2019.
- vi. Financial assistance from the Central Government shall be restricted to revision of pay scales in respect of only those posts which were in existence and had been filled up as on 1.01. 2016.

2. After due and careful consideration, the Governor of Nagaland is pleased to introduce the scheme of revised pay scales for teachers and librarians of Government Colleges in Nagaland, as recommended by the Government of India with effect from 1st January, 2016. The revised pay scales will be applicable only to those posts which were in existence and filled up and to those employees who were already enjoying the pre-revised UGC pay scales as on 1.01.2016. The revised pay structure for different categories of teachers and equivalent positions is based on the following:

- a. The formula followed by the 7th CPC is followed in the academic pay structure, moving from the concept of Pay Band and Academic Grade Pay to that of Academic Levels and Cells.

- b. The first academic level (corresponding to AGP of Rs 6000) is numbered as academic level 10. Similarly, the other Academic levels are 11, 12, 13A, 14 and 15.
- c. Each cell in an academic level is at 3% higher than the previous cells in that level.
- d. The Index of Rationalisation (IOR) is 2.67 for present AGP less than Rs.10,000 and 2.72 for the AGP of Rs. 10000 and above
- e. The pay matrix based on the above propositions on Academic Levels, Cells and Entry Pay is at **Annexure-1**
- f. For fixation of pay of an employee in the Pay matrix as on 1st January, 2016, the existing pay (Pay in Pay Band plus Academic Grade Pay) in the pre-revised structure as on 31st December, 2015 shall be multiplied by a factor of 2.57. The figure so arrived at is to be located in the Academic Level corresponding to employee's Pay Band and Academic Grade Pay in the new Pay Matrix. If a Cell identical with the figure so arrived at is available in the appropriate Academic Level, that Cell shall be the revised pay, otherwise the next higher cell in that Academic Level shall be the revised pay of the employee. If the figure arrived at in this manner is less than the first cell in that Academic Level, then the pay shall be fixed at the first cell of that Academic Level.

If a situation arises whenever more than two stages are bunched together, one additional increment equal to 3 percent may be given for every two stages bunched, and pay fixed in the subsequent cell in the pay matrix.
